From The President

Sue Chatham

OLLI's new year will start on June 1. This last year has been a busy one. We have had many classes, bonuses, special events and socials. We are branching into many different areas.

Watch your newsletter for all of the summer activities that are planned. We have a picnic in June and our Summer Enrichment Series in July and August. Both events will be great.

Our Annual Membership Meeting is May 16. You don't want to miss this. Dr. Williams the new President of UAHuntsville will be our guest speaker. Also at this meeting you will be voting on our new Board Members for the next year.

Watch your newsletter for the location of the OLLI office starting in June. We will be leaving Wilson Hall and moving to Madison Hall. This is a temporary move while Wilson Hall is being renovated.

As you can tell your OLLI newsletter is your connection to what is happening!!!

I hope to see you at the Annual Membership Meeting.

Annual Membership Meeting – End of Term Social

Plan to attend OLLI's Annual Membership Meeting on Friday May 16, at Trinity Methodist Church. The meeting starts at 11 a.m. Our guest speaker will be Dr. Williams, the new president of UAHuntsville.

In addition, we will vote on new board members and have lunch. Come, meet Dr. Williams, meet our new board members, and socialize with other OLLI members. We hope to see you there.

Cultural Pilgrimage Tour

The annual Huntsville Pilgrimage Tour will be on May 3, and the Cemetery Stroll will be May 4. The tour tickets are \$20.00, \$17.00 for advance purchase, and \$15.00 for groups of 20 or more. Cultural Committee Events

Pat Lindberg,
Cultural Committee Chair

The Cultural Committee kept their scheduled lunch and Huntsville Museum of Art tour on April 11, despite warnings of tornadic weather. Just after reaching the Museum and beginning our tour, we were sent to the “safe place” in the Museum to wait out a tornado watch. Continuation of the tour proved to be well worth the wait. Thanks to Nell Roberts for planning and coordinating!

If you missed the Hogue Sinfonietta Spring Concert in Roberts Recital Hall on April 12, you missed a real treat. Thanks to member Rono Prince, who plays viola in the orchestra, for keeping us informed of their concert schedule. Another contributor to this beautiful music is OLLI member, Lois Dreher, who plays violin. We look forward to their next concert planned for the Fall.

Liz Switzer has given us good news about attending the Huntsville Chamber Music Guild concerts. Ticket prices for OLLI members will be \$80 for season tickets and \$18 for single tickets (if available). Be sure to mention that you are an OLLI member. If ordering by mail, please write “OLLI member” on the order form. The HCMG telephone number is 824-6540.

Look for email announcements about the Sewanee Summer Music Festival. This day is made memorable by the many talented young people who perform. Details will be announced when available.

We were saddened by the death of Cultural Committee member Wilbur Thompson and give our condolences to Illene. This committee has given a donation to the OLLI Scholarship Fund in his memory.

The end of year Cultural Committee luncheon will be May 21, at 11:30.

Cultural Committee Chair

Game Day Coming!

Special Events Committee

Your Special Events Committee has worked hard this year to bring you a broad range of activities, hoping that each person would find something to interest them. We've traveled and eaten in some interesting places both inside and outside the U.S.; attended sporting events; participated in several hiking and exercise programs; listened to some superb speakers; played cards, dominoes, scrabble, and other fun games; gone dancing; attended movies; had brown bag lunches; and by the time you read this, we will have also attended an open house at the Hudson Alpha Institute to learn about DNA research and gone on a day trip to South Pittsburg for their Cornbread Festival, and on May 2nd we will have a Latin-themed party – *Fiesta Fantastica!*

Our final event for this academic year (ends May 31) will be the May 22-25 "Coastal Alabama Sampler" trip to the Fairhope area. And of course, summer plans are already underway with another wonderful Summer Enrichment Series '08 planned. We hope you'll be an active participant in OLLI's special events. Don't forget to let the coordinators know that you appreciate their efforts.

Joyce Howell, Chair
 Special Events Committee

Coastal Carolina Sampler

Our "Coastal Alabama Sampler" trip to the Fairhope area is full but there is the possibility of a few additional spaces being added if another event at Beckwith releases some rooms. So, if you're interested, be sure to contact Eleanor Carter at 881-6232 or carterer@aol.com to get on the wait list.

Picnic & Potluck

OLLI's annual picnic will be June 20, 2008 at the pavilion at the Nature Trail on Green Mountain. Bring a dish to share. Drinks and paper products will be provided. It is always nice to be outside and to be able to visit with our OLLI friends. Put this date on your calendar.

Volunteer!!

OLLI's activities are growing. We need your help. Pick an area that you are interested in and contact the chair of that committee and volunteer! You will be richly awarded with the new friends that you will make and with the results of what you contribute. It takes all of us to keep OLLI strong and vibrant. We need new ideas. Volunteer now!

OLLI INTERGENERATIONAL PROGRAM

The Intergenerational Planning Committee has prepared a three day event for kids of all ages. Invite your grandchildren to attend with you or come by yourself.

On Tuesday, June 3rd, we will step back in time to walk Laura Ingall's cabin, roll down the river with Huck Finn on a keel boat, and board a wagon headed west. Lunch will be served in the Lunch Pail.

Wednesday, June 4th, you may join us in 1819 when Alabama became a state. We will learn the part herbs played in our lives, weave on the Friendly Loom, tin punch, participate in a Native American craft and picnic in the Pavilion.

On Thursday June 5th, we will revisit the Civil War at the Depot. We will dance and sing songs by the camp fire where we will roast hot dogs and marsh mellowes.

GUESS WHO?

☐ She is a native of Alabama and has been a resident of Huntsville since 1959. She worked as a secretary for Chrysler Corporation and Marshall Space Flight Center. While working at Redstone Arsenal, she met the man who became her husband, and they married in 1963. She enjoys volunteering with musical group at retirement homes (taught line dancing at the senior center for 10 years), churches, and community events. She also paints, plays dulcimer, and studies guitar. Her membership in OLLI began in 1999.

One might conclude, rightly or not, that this person is a man of few words. He identifies himself as a member of OLLI who has been an instructor in the "Academy." He is frequently seen at OLLI events. He grew into a tall fellow and is married to a very active volunteer of Osher. He travels frequently and owns an RV. He loves sports and still participates in a number of them. He has a graduate degree in Architectural Engineering.
