Did you know OLLI has a Facebook page? Look for it in the Facebook search bar as Osher Lifelong Learning Institute at UAH! Here you’ll see announcements of activities, interesting articles related to OLLI, and pictures of fun things we do. In fact, here is a suggestion for you: next time you’re in a class, or at an OLLI event, why not take your own photo and put it on your own Facebook page. You can also “tag” the OLLI at UAH page on your personal timeline. That will share your message to the Osher Facebook site. By doing this, we can spread the word about the many great things going on that each of us participates in. Let your friends know how much you are enjoying OLLI with a photo on your page and invite them to come to OLLI, share the fun, and stay connected.

And while we’re talking about sharing information via the web—check out the OLLI website: osher.uah.edu You will find the current catalog, the OLLI Insider, the weekly bonuses and special events schedule, and a place where you can order event tickets. In addition, you can find all the information about membership and donating to the OLLI program.

Do not forget the Friday Weekly Bonus & Movies at 10:30. These are open to all OLLI members whether you are enrolled in courses or not. There are often snacks in the OLLI lounge after the bonus presentations. Refer to the Winter Term Catalog or the OLLI web site for a list of these entertaining talks and movies. And check out your Friday afternoon Weekly e-News emails from OLLI at UAH and the Calendar of Events for the very latest fun and interesting things to do at OLLI.

If you are attending classes and will be at OLLI over the noon hour, bring your lunch and join the folks in the lounge. It’s a great way to meet and make new friends.

If you do not receive the OLLI Weekly e-News every Friday evening, please stop by the OLLI Volunteer Office (Room 151 Wilson Hall) and leave your email address. This will keep you informed of OLLI activities in a timely manner.
Have you attended an event where you thought to yourself, “This would be great for OLLI members?” Do you have a connection within the Tennessee Valley which would help us coordinate a tour of a local business or facility? Maybe you volunteer for another local organization our members may be curious about.

These are the many ways we schedule and coordinate our OLLI Events. We have such a diverse membership the possibilities are endless! On the Events Committee, we assign a single Point of Contact for each event and simply coordinate the details. In reality, every OLLI member joins the Events Committee by sharing their ideas. We are constantly looking for your suggestions for member events and hope you will help coordinate a future activity.

Please share your ideas and connections by becoming an active member of the Events Committee! Contact Janet Reville at jrev1988@gmail.com.

### Dining Out Member Interest Group

Huntsville is growing and so are the restaurant options in the area. The OLLI International Dining MIG has undergone a name change to “Dining Out” and is expanding and exploring new and popular dining experiences in the area. We plan to have a featured restaurant each month—seating will be limited. Please contact Dining Out co-chairs Sandra Dabrowski (dabros1@comcast.net) or Virginia Wagner (vkwagner54@gmail.com) for more information. Come join us for our first dining experience this February. Look for an announcement of the first dinner in an upcoming *Weekly e-News*. 
The Social Committee is planning another fun event on Friday March 9th. It will be at Trinity United Methodist Church (Airport Road) 12:30 to 2:30. We’ll be sharing good food and have time to socialize with friends. This is really a special time to show our appreciation for all of our wonderful instructors and facilitators. They work hard to bring us such interesting and fun classes.

We have a few new members on the Social committee, and we are so glad they have joined us. If any of you would like to become a part of the fun, just let me know! Email me at leahblack01@comcast.net

Friends enjoyed the recent “OLLI Night” at the UAH hockey game at the Von Braun Center.
Discounted (and sometimes FREE!) tickets to campus events are a great benefit of OLLI membership!

OLLI Fund Development Committee

The Fund Development Committee has established the OLLI Support Fund to request donations from the OLLI members to help make the Osher Lifelong Learning Institute at UAH self-supporting. In the last two and one half years it has collected a little over $40,000 to help with funding the day-to-day operations of OLLI at UAH. Still, we need a greater percentage of the members to participate if we are to accomplish our goal.

Please make a tax-deductible donation, no matter the amount.

To donate online or get a donation form, go to: osher.uah.edu and select “donate to OLLI”

Coming this spring, we will be presenting more information on an OLLI Planned Giving Program. This is a way members can help OLLI at UAH for the long-term without affecting their current budgets. A member leaves a gift in their will, charitable trust, or beneficiary statements to the Osher Endowment Fund at UAH. This is the endowment Fund that holds the gift that Bernard Osher made and the earnings are restricted to be used only for the OLLI Program at UAH.
We are off and running! Thankfully, the bitter cold winter weather of early January shifted to beautiful weather—at least for the first few days of classes. Folks seemed genuinely eager to be out and back at OLLI. Many enjoyed meeting up with their OLLI friends, and many were experiencing our OLLI classes for the first time. I hope everyone felt welcomed and that newbies were introduced to our lounge, where many of us hang out between classes. It’s not always a Socrates type forum, but we do enjoy reviewing some thoughts that were presented in our classes. And the coffee is always hot and free!

Registration is ongoing so if you have friends who want to jump in, suggest that they register and start attending classes as soon as possible. Several classes have reached the maximum enrollment, but others have spaces available.

Many OLLI instructors are new so please give them a warm welcome. If you have ever made a speech or prepared to teach anything, you know that it is a big commitment to select and prepare material for any presentation. Our Teacher Appreciation Lunch at the end of each term is only a small way that we can thank our instructors. Your personal feedback to them on a regular basis is always appreciated, so do not be shy with your accolades. The class Facilitators also add a valuable service, and they too deserve our heartfelt thanks.

Moving forward—our Spring Term catalog should be available in late February, so we can begin to see what awaits us next term. As is typical, we will be offering 60+ courses. Whereas many are ongoing from previous terms, there are always new offerings. I challenge each of you who enjoys learning with interesting people to bring one new friend to Spring Term. It is our shortest term—six weeks—and generally the weather is favorable. So, share your enthusiasm for lifelong learning.
