OLLI President’s Letter – February 2019

I hope winter term classes are going well for everyone. How delightful it is to keep our minds active during these mid-winter months. It is also nice to join our friends at lunch time in the OLLI lounge to catch up on some social news, or perhaps to continue discussing a recent class.

The OLLI lounge has a new, upcoming feature that may interest you. A large, gray bulletin board will be hung next to the white board in WIL 152D. This is here to display community events that are not part of the OLLI program but may be of interest to our members. Items placed on this bulletin board must be from non-profit organizations. Announcements on this board might be for plays, ballet, music recitals, concerts or UAH events. Anyone wishing to place information about an upcoming event should contact our Event Chair, Linda Lowe (llowe38@gmail.com), to reserve a space on the bulletin board.

OLLI trips and events will continue to be announced via facilitator announcements prior to classes, in the OLLI Weekly E-News, and on the event schedule in the newsletter. If you are not currently receiving the Weekly E-News, please contact the OLLI CPCS Offices at 256.824.6183 or OLLI.Info@uah.edu.

Of course, the best advertisement for OLLI classes and social functions is by word of mouth. If you have a friend you think would be interested in OLLI, pick up a brochure in the OLLI Volunteer Office (WIL 151) to share with them. Better still, give a gift membership and bring them to our Weekly Bonuses on Fridays which are open to all OLLI members. You can also gift them a Term Registration, so they can take some courses for themselves and discover just how intriguing it is to be an OLLI member.

Please enjoy all that OLLI has to offer.

OLLI at UAH Board President
OLLI Winter Term courses began on January 28! I hope you are one of the folks excited to be back in classes after an extended winter break.

There are many courses offered in the disciplines of Arts and Letters, Psychology, Natural Resources, History and Government, Finance and Economics, Science and Math, and Health and Fitness, as well as our fun courses found in Leisure, Skills and Hobbies. Actually, I tend to think all of our courses are fun if you want to learn, but the latter category offers more hands-on activities such as drawing, bridge, card-making, puzzles and chess. Of course, if you made a New Year’s Resolution to think about your health and exercise, there are exercise classes and a healthy cooking course designed just for you. If you are not registered yet, I challenge you to get off the couch and rush out to UAH to be a part of Winter Term. Registration is on-going, and the term will last for seven weeks, ending on March 15.

I would also like to mention our Friday Bonus presentations are a part of our Curriculum Committee offerings. On the first six Fridays of Winter Term at 10:30 a.m., these presentations will take place in the UAH Wilson Hall Theater (WIL 001) off of the main lobby. All OLLI members are encouraged to attend - no registration is required.

Weekly Bonus presentations are one of the perks of membership. The first Bonus was a slide recap of all OLLI trips in the past five years and information about upcoming travel opportunities. On Friday, February 8, Retirement Coach Marianne Oesher will present _Finding Purpose and Happiness in Retirement: What are the Ingredients?_ On February 15, Tom Borcher, a retired attorney, who taught _Alligators in the White House_, will engage the audience in a mock trial. On February 22, Natasha McCrary, a local flower farmer, will share information about sustainable gardening. On March 1, Dr. Morris Seymour, a local doctor, will help us understand our aging spines, and on March 8, Delois Smith, retired UAH VP for Diversity and Multicultural Affairs, will raise our awareness of diversity and inclusion matters. What an array of interesting topics - not to mention our Social Committee offers delicious and substantive refreshments after every Bonus. Get together with another OLLI member to support our Friday Bonuses and to enjoy socializing afterwards in our OLLI lounge.
Laissez les bon temps rouler! Grab your beads and put on a mask! Join OLLI for a Mardi Gras celebration with a New Orleans-style dinner, Zydeco music from DJ Hal Beach, and a costume contest! DJ Hal Beach will give us some basic instructions on Zydeco dance steps! Costumes are optional, but there will be prizes for the best costume! There will be sign-up sheets in the volunteer office during the start of the winter term, or you can register online here (coming soon).

On the last day of winter term, Friday, March 15, there will be a Winter Term Teacher Appreciation Luncheon. We are exploring a new venue for this function, which will be held at Design Lab in Lincoln Mill on Meridian Street. Be sure to plan to come out and thank your instructors for all they do to make OLLI great.

If you would be interested in serving on the Social Committee or you just have some ideas about what events you would like to see at OLLI, please contact me at 256.508.6033 or darnall45@icloud.com.

Board of Directors Applications— DUE FEBRUARY 22

OLLI at UAH is a volunteer organization managed by a Board of Directors (BOD) elected by the general membership. This year, we have six (6) slots open on the BOD. The Nomination Task Force is seeking enthusiastic candidates to fill these positions! The candidates will work with the current Board members and the University to preserve and improve the program quality our 1,000+ members expect. Are you such a person? Are you committed to expanding our OLLI and its horizons? Do you know someone who would like a more direct role in OLLI?

Board members serve a three-year term and can be elected to a second consecutive term. Submit an application or nominate a person who you think would make an effective Board member! Encourage a member you think would provide the commitment and ideas to keep our program strong and growing.

Application forms are available in the OLLI Volunteer Office and are due by February 22. In early March, the Nomination Task Force will review all the candidates and generate a ballot for the membership to cast their votes.

If you would like more information about the Board and its responsibilities, please contact Bob Darnall at darnall45@icloud.com or 256.508.6033.
So many of you have had reason to visit the OLLI Volunteer Office—some to ask questions, some to make copies, some just to chat for a while with friends. Our volunteer office is located in Wilson Hall, Room 151 and is sometimes a bustle of activity with people dropping in to get information, pass time before going to class, or stopping to chat with others members. There are many times you will find three or four people in the office just to chat.

Ever wonder how the office gets staffed? By volunteers, of course. As you have hopefully noticed, we are proud to have volunteers who offer a warm smile and pleasant personality to our members. Some perks of being a volunteer: If you have a 10:30 a.m. class and don't want to fight the parking issue, volunteer for an 8:30 a.m. shift in the office; if you have a class at 10:30 a.m. and another at 2:30 p.m., volunteer for a 12:30 p.m. shift in the office. Volunteering is a great way to spend time between classes, or to avoid the mid-day parking rush. It's also a great way to meet new people and know what's going on in our OLLI world.

If you possess any of the above qualities or are tempted by the "perks" and may be interested in being an OLLI Office volunteer, please contact Irene Garoppo, igaroppo@knology.net.

If you have an interest in becoming an OLLI Ambassador and assist in the UAH College of Professional and Continuing Studies (CPCS) OLLI office, please contact Alice Sammon at Alice.Sammon@uah.edu or 256.824.6183. Ambassadors work one-on-one with CPCS to make OLLI a stronger program by helping with administrative and office tasks. They work behind the scenes to ensure that our program runs smoothly and continues to grow better than ever!

If you would like to assist with snacks after the weekly Bonus, please contact Rexanne Warfel at rewarfel@yahoo.com. Note: a snack schedule has been posted on the board in the lounge to make it easier to sign up for particular days.

If you would like to help staff the OLLI Volunteer office, contact Irene Garoppo at igaroppo@knology.net.

An intrepid group of thirteen OLLI members traveled to New Orleans to participate in the Road Scholar tour on January 13-18, 2019. From the moment we checked into the lovely and historic Hotel Monteleone on Royal Street in the French Quarter to the fare-well jazz brunch at The Court of Two Sisters five days later, every member had a wonderful time. During our time in New Orleans, we rode in horse drawn carriages, street cars, busses, paddle-wheel boats and pedi-cabs. Throughout the French Quarter, we walked and walked. In many of the famous New Orleans restaurants, we ate and ate—and then ate more!

We learned too. Most mornings began with a lecture after breakfast. We were introduced to the New Orleans architecture of the Garden District with an interesting talk, followed by a bus and walking tour of a beautiful section of the sixty block area. The following day we learned about the development of the French Quarter and the settling of other parts of the city by many different diverse groups of people. We had another tour through this part of New Orleans and saw first-hand the devastating effects of Hurricane Katrina.

We also spent one day touring museums and were impressed by the massive scale of the WWII museum and the quality of the displays of both the European and the Pacific theaters. That evening, we all went to the New Orleans School of Cooking for a demonstration of Creole and Cajun cooking by a professional chef and enjoyed the meal he prepared for us.

The subject of another lecture was “Authors from and of New Orleans.” We discovered the many books written about this three hundred year old city. Visits to the Cabildo and Presbytere to see exhibits on the history of New Orleans, Mardi Gras, and Hurricane Katrina helped us learn more about this fascinating place. We experienced great fun touring Jackson Square and the Mississippi River Walk and taking a ride on the paddlewheeler, NATCHEZ.

Oh, and the music! We were entertained by street musicians, jazz clubs, and even our own private group who played for us at dinner one night. The theme of this trip was New Orleans: Jazz, Jambalaya and Joie de Vivre. I would be hard pressed to find a more enticing place in which to spend five fabulous days.

OLLI Winter Term Open House on Friday, January 11 was a big success. We welcomed many new members to OLLI, while returning members registered for Winter Courses and validated their parking passes. Teachers answered questions regarding their upcoming courses, and visitors learned about special events and travel opportunities within OLLI. Fifteen lucky participants won door prizes, including a complimentary term registration, and everyone enjoyed refreshments and meeting OLLI friends.

OLLI Goes to Wheeler National Wildlife Refuge  
Wednesday, January 16

OLLI members were excited to brave the cold and venture out to the Wheeler National Wildlife Refuge (NWR) on Wednesday, January 16 for a special tour and viewing of the migrating Whooping Cranes. OLLI members assembled at the Wheeler NWR Observation Building for a special presentation from Ranger Daphne Moland, after which they observed ducks and geese as well as the “stars of the show,” the cranes!

Despite the partial national government shutdown, Wheeler National Wildlife Refuge was one of only a few refuges in the Fish and Wildlife Refuge System that received a 30-day reprieve. Ranger Moland suggested the Whooping Crane was to credit for this occurrence. Whooping Cranes are very rare, but slowing growing in numbers, and Wheeler is one of the few refuges with a dependable winter flock. Unfortunately for attendees of the event, the one female crane that typically comes within view of the Observation Building was not present when nearly 30 OLLI members were observing. More than a dozen other Whoopers have been counted somewhere on the Wheeler NWR this year.

However, Sandhill Cranes are plentiful. Both of these very large cranes will stay through January and, perhaps, into early February. They will then return to their breeding grounds in Wisconsin and Canada.

Whooping Cranes are often found with Sandhill Cranes (shown here).
